Letter No.P.C.1419/22-23 dated 2nd August 1924 from the --- Deputy Commissioner, Kolar District to the Muzrai Commissioner in Mysore.

"I have the honor to forward, herewith, a file of correspondence ending with Kolar Sub Division Officer's report No.N.Dis.M.C.590/22-23 dated 10-10-1923, regarding the repairs to the Amildar's quarters at Malur, and to state as follows.--

2. The building which is being occupied by the Amildars in Malur Town, during the past 50 years, is known as Rangaswami Pillay's ---- chatram. The history connected with this building in so far as it can be ascertained is that about the year 1870, one Mr. Rangaswami Pillay was the Amildar of Malur and at his instance, subscriptions were raised from the public for building a chattram and the chattram in question was built from the funds so collected. The building was called in the name of the Amildar, Mr. Rangaswami Pillay. For some years, the building was used as a public chattram and then it ceased to be occupied by travellers. The circumstances which led to the building being discontinued to be used as a public Chattram cannot be explained now, since the connected records are reported to have been lost. The matter having had been under correspondence for some -- years, the Deputy Commissioner decided so far back as in the year -- 1880, that the building should be treated as a Government building the Amildars should occupy the same that they should attend to the annual repairs etc., and that they need not pay rent for such ----- occupation. Accordingly the building is being used as a dwelling house by the Amildars from the year 1880 up the present day.

Once Mr. Rangaswami Pillay's son having put forward his claim for the building, on the ground of its construction by his father, enquiries were held and his petition was rejected. Eversince, the building has remained as a Government building.

But owing to very inferior kind of materials used for the -- construction of the building and probably also to annual maintenance work having been neglected by the occupants, the building is now in a very dilapidated condition and it requires about 2 to 3 thousand rupees for its restoration to a proper condition. The building may come down if it is further neglected.

One Mr. Venkatasami Naidu, a leading and philanthrophic ---- citizen of Malur town, has constructed a temple dedicated to Sri Kodandaramaswami near this house and has spent about 6 to 7 thousand

rupees for the temple building. This temple has been maintained by Mr. Venkatasami Naidu in a very satisfactory condition. He offers to undertake the repairs to the Amildar's quarters at a cost of Rs. 2,000/- if he is permitted to do so and if he is given a portion of the vacant space attached to the building for being added on to the --- compound of the temple for use, as a flower garden. He proposes that when the repairs are completed, it may be rented out to the Amildar of the Taluk for his residence and on a monthly rent of Rs.10/- recovered from the occupant and this amount paid for the benefit of the temple constructed by the Donor. I think that Mr. Venkatasami Naidu's request is reasonable in the circumstances of the case and may be accepted. It is very difficult in this town to find convenient house for occupation and if the building in question is restored and rented out to the Amildars, the difficulty in providing suitable accommodation to the Amildar will be solved.

I therefore, request that sanction may be accorded to my proposal to permit Mr. Venkatasami Naidu to repair the chattram at a cost of --- Rs.2,000 and to rent out the building to the Amildars at Rs.15/- per month. A sum of Rs.10 out of the monthly rent may be paid for the --- paditara, Uiparadhane and other expenses of the temple of Sri Kodanda-ramaswami founded by Mr. Venkatasami Naidu and the blance of Rs.5/- -- credited to Government.

As the building will become the property of Government in a new restored and satisfactory condition without any expenditure of Government funds, I request that the sanction of Government may be obtained to the proposal."
